

2016 Student Presentation Awards

Oral Presentations

Best Student Paper Award - PhD: Trevor Joyce (Scripps Institution of Oceanography) *Estimating Abundance And Trends Of Procellariiform Seabirds Using Bayesian State-Space Models And At-Sea Data*

Runner Up - PhD: Travis White (Carleton University) *Tagged, Tracked, And Modeled: How Technological Advances Can Improve Our Understanding Of Arctic Seabird Distribution On Multiple*

Honorable Mention - PhD: Yoshinari Yonehara (The University of Tokyo) *Flight Paths Of Seabirds Soaring Over The Ocean Surface Enable Measurement Of Fine-Scale Wind Speed And Direction*

Best Student Paper Award - Masters and Undergraduate: Christine Anderson (Acadia University) *Herring Gulls: Population Scale Patterns Of Movement And Habitat Use*

Runner Up - Masters and Undergraduate: Rachael Herman (Louisiana State University) *Individual Specialists, Population Generalists, And Gentoo Penguin Foraging Ecology Across The Scotia Arc*

Honorable Mention - Masters and Undergraduate: Max Czapanaskiy (USGS Western Ecological Research Center) *Taking The Plunge: Comparing Diving Behavior Of Red-Footed And Brown Boobies Breeding On Lehua Islet, Hawai'i*

Poster Presentations

Best Student Poster Award - PhD: Le-Ning Chang (National Taiwan University) *Tern Banding Project In Matsu Island Tern Refuge, Taiwan*

Runner Up Student Poster - PhD: Corey Clatterbuck (San Diego State University And UC-Davis) *Heavy Metal And Organic Contaminant Loads In California Least Tern (*Sterna Antillarum Browni*) And Western Gull (*Larus Occidentalis*) Eggs*

Best Student Poster Award - Masters: Michael Johns (University of Alaska Fairbanks) *Double-Brooding In Cassin's Auklets (*Ptychoramphus Aleuticus*): A Buffer Against Environmental Variability*

Runner Up Student Poster - Masters: Stephanie Loredo (Oregon State University) *Temporal Variability In Threedimensional Habitat-Use Of Common Murres (Uria Aalge) Off The Oregon Coast*

Best Student Poster Award - Undergraduate: Gail Gallaher. *The Busy Life Of A Cassin's Auklet: Interannual Changes In Daily Time Allocation*

Runner Up Student Poster - Undergraduate: Sarah Donahue (Hawai'i Pacific University) *Diet Of Red-Footed Boobies Provisioning Chicks On O'ahu*
