

## 2022 Annual Report – Marbled Murrelet Technical Committee (MMTC)

Co-Chairs: Lindsay Adrean, Bill McIver

The MMTC held its annual meeting virtually on February 22, 2022. States, provinces, federal agencies, and conservation groups provided updates related to Marbled Murrelet activities. The Marine and Disturbance subcommittees did not meet in 2022. The Inland Survey Protocol subcommittee continued work on the revised protocol, which is expected to be published in 2023.
