Dear Mr. Harrison:

I am writing to solicit your comments, for the second time, on the attached migratory bird conservation legislation which Stan Senner and I have redrafted. Several changes were made to address issues raised during the first round of comments.

I will be leaving the Committee as of today, and Karen Steuer and Tod Preston will be handling the bill from now on.

We would appreciate having any additional comments you may have, in writing (ATTN: Tod Preston), by the close of business February 14th. As with the first draft, this one is being circulated only for discussion purposes. Both the Subcommittee and Audubon staff would appreciate it if you would not circulate the draft any more widely than necessary for purposes of internal review.

Sincerely,

*Gina DeFerrari*
