Dear Mr Harrison,

It gives me great pleasure to inform you that the IUCN Council at its 49th Meeting held in Fontainebleau, France from 6 to 7 November 1998 approved the application submitted by the Pacific Seabird Group for membership of the Union in Category B d) - international non-governmental organisations. Please accept my warmest personal welcome.

You will shortly be receiving further documentation and information from the Membership Unit which should help facilitate your integration into the Union.
