Our Ref. 372/83

Your Ref.

25th October, 1983

Dear Sir/Madam,

372/83 TO FORM MINK FARM, SCARFATAING, TRONDRA

Further to my last letter to you regarding the above application, I now write to inform you that the Council, having taken note of your comments, decided to refuse consent for the undernoted reasons.

Yours faithfully,

James A. Anderson

H Director of Planning

Reasons:

1. In the interests of amenity and, in particular, the development could give rise to unacceptable smells at the adjoining houses.
2. The development represents an unacceptable risk of escape and the consequent high possibility of establishing a feral mink population, all to the detriment of the wildlife, farming and fishing interests of Shetland.
3. The proposal would create an awkward precedent.
