Dear Ms. Leschner:

Thank you for letting me know of your concerns about the Olympic National Park legislation that passed Congress earlier this year.

I am examining the specific situation that arises from including the islands of concern within the boundaries of the national park. Since the Park Service and the U.S. Fish & Wildlife Service are both parts of the Interior Department, it may be possible to correct any problems quite simply.

Again, thank you for contacting me about this issue.

Sincerely,

Al Swift
